

Every Child a Library Member

Teacher's Survey

Welsh Libraries have been running the Every Child a Library Member project in sixteen authorities across Wales – in which your school has taken part.

In order to evaluate the impact of this project and consider how we might roll it out to all the other authorities in Wales we would be very grateful if you could take a few minutes to answer this short questionnaire.

This scheme may have only just started in your school however your feedback and initial responses are very much appreciated and further evaluation will be taking place as the scheme progresses.

This survey is totally confidential and can be completed on paper or online.

All paper questionnaires should be returned to your library and placed in the box provided.
