

'Voucher' Instructions

Join the library between 20th January and 30th January and you will get a free weekend voucher for indoor racquet sport which must be used by the 30th March 2011.

This winter, local leisure centres in Powys have agreed to work alongside the library service to promote library membership. Between 20th and 30th of January, leisure services, clinics and schools will be publicising this message to non library users urging them to join their local library.

- **Membership forms will be available at leisure centres and libraries or can be downloaded from www.powys.gov.uk/libraries.**
- **For those that take up the offer they will simply need proof of address or permission from their parents if they are a child.**
- **Once they have joined they will be given a 'free weekend voucher' for use on any of the indoor racquet sports listed on the voucher.**
- **The voucher will allow access to these sports up to the maximum number of persons indicated on the voucher.**
- **The vouchers are valid from 20th January to 30th March 2011.**
- **Adults and children are eligible - one voucher per person joining the library.**

***Notes for Library Staff**

Please could all branches stamp (with your branch stamp) the vouchers before issue (this will aid our statistics).

***Notes for Leisure Centre Staff**

Please could all leisure centre staff tick the box on each voucher to indicate the type of racquet sport that is being used. Please send the vouchers to me at the address below by the April 10th 2011.
